

CYBER CRIME WATCH

2024-25

"GAME FRIEND" SCAM

Location: Maharashtra

A 13-year-old was befriended in a gaming app. The scammer convinced him to buy a fake game pass, costing ₹5,000.

Lesson: Never share card info or passwords, even with "friends".

CASE 2: PHISHING ON SCHOOL MAIL

Location: Karnataka

A student received an email pretending to be from her school. It asked for her password. She entered it and lost her cloud data.

Lesson: Always check the email sender — don't click random links.

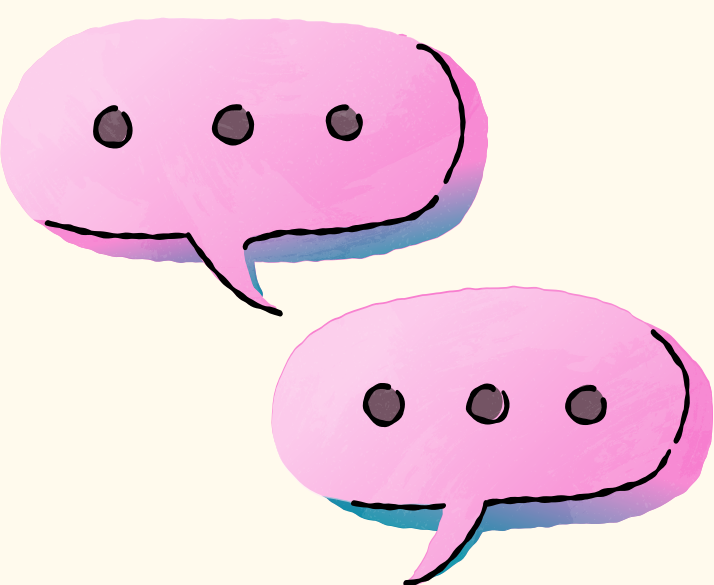

"YOU WON A PRIZE!" WHATSAPP SCAM

Location: Delhi

Fake messages offered iPhones for survey participation. Kids were asked to share parent OTPs. One parent lost ₹30,000.

Lesson: If it's too good to be true, it is.

BE CAUTIOUS!!!
